## Activity of the day

### Mapmaker

Choose a book and think about the story

What places do the characters travel to or live in?

Using an A4 piece of blank paper, draw an outline of a map.

Inside the outline, draw and map out the places in the book.

You Can use a key to outline what the places are and which characters visit them.

This is an example of a map used in Winnie the Pooh by A.A.Millne, you can make yours as colourful and detailed as you want.

Don't forget you can still access Accelerated Reader from home for all your quizzes. Simply go to the school website and click the Renaissance button at the top of the page. Log in using your usual log in and password.

### The Boy who steals Houses

By C.G Drews

Sam is only fifteen but he and his autistic older brother, Avery, have been abandoned by every relative he's ever known. Now Sam's trying to build a new life for them. He survives by breaking into empty houses when their owners are away, until one day he's caught out when a family returns home. To his amazement this large, chaotic family takes him under their wing - each teenager assuming Sam is a friend of another sibling. Sam finds himself inextricably caught up in their life, and falling for the beautiful Moxie.

But Sam has a secret, and his past is about to catch up with him.
