Dear Parents and Carers

Re: Insight to HE/UCAS Convention 2019
Venue: University of Essex
Date: Thursday 13 June 2019

I would highly recommend to you a trip we have organised if your son/daughter plans to go to university from September 2020.

As Year 12 students reach the end of their first year, they have already had opportunities via tutorials and other events to discuss their future plans with college staff and visiting experts. An increasing proportion of our students wish to go on to Higher Education after Year 13, and we have an excellent opportunity for students to help them with this decision.

On **Thursday 13 June**, we have secured places at the **Insight into H.E/ UCAS Convention** to be held at Essex University. Representatives from universities from all over the country will be there to talk to students about their courses and programmes and to enable your son/daughter to gain prospectuses for any universities they may be interested in. There will also be lectures and seminars giving key advice on making a successful application to university

Students will depart from the Fambridge Road Campus at 08.45 and we anticipate they will return at approximately 13.30. Students who attend this trip will be expected to liaise with staff to collect and complete any work set.

We do hope that this gives you an idea of the additional support we are offering our students thinking about going on to Higher Education.

If your son/daughter would like to participate in the above activities, please ensure they return the reply slip below and **completed PC1** form to **Mrs Demes in the College office**, as soon as possible. There are a limited number of places for the trip and these will be allocated on a first come, first served basis. On returning their forms, students will be given the additional details.

Yours faithfully

Mr C Barton
Head of Year 12 and Year 13
